

Kindly add the following Abstract of the Disclosure at the end of the application following the last page of the claims. The Abstract of the Disclosure is also set forth on a separate sheet at the end of this Preliminary Amendment.

ABSTRACT OF THE DISCLOSURE

There is described a unit for applying opening devices to packages of pourable food products having a rupturable portion, the unit substantially having conveying means for feeding the packages successively along a given path; and gripping means for receiving the opening devices at a pickup station, and which move cyclically between the pickup station and an application station interfacing with the path and where the opening devices are applied to respective packages; the trajectory of the gripping means from the application station to the pickup station is distinct from the path of the packages; and the unit also comprises pressure means generating a contact pressure between the packages and the opening devices as of the application station and along at least a portion of the path of the packages.
